Dreumex Power Wipes®
Powerful cleaning without water

Powerful cleaning without water

Dreumex Power Wipes®

How many times per day do you wash your hands? And how often do you have to use a sink between jobs to clean your hands and tools? A waste of time. With Dreumex Power Wipes, you can quickly and easily clean your hands, tools and hard surfaces in places where water is not available. Experience the convenience and increase your productivity. These very strong cleaning wipes ensure fast cleaning of lubricants, oil, grease, as well as the heaviest soils such as glue, lacquer and sealant. In no time, you are ready for the next job! This makes the Dreumex Power Wipes ideal for employees in the construction, automotive and industrial sectors.

5 benefits of Dreumex Power Wipes

- Strong wipes with a fresh scent
- Effective on any soiling in the construction, automotive and industrial sectors
- Cleans hands, tools and hard surfaces
- Convenient portable packaging
- No need to rinse with water

Easily and fast

With Dreumex Power Wipes you save lots of time. It only takes a few seconds for hands, tools and hard surfaces to be clean. Don't waste any more time between jobs or after a job looking for a sink. Dreumex Power Wipes increase your productivity and are easy to carry, extremely convenient on the move.

Cleaning without water

Dreumex Power Wipes are very suitable for workplaces where there is no water nearby while you still want to clean your hands and tools properly. The effective combination of liquid and wipes dissolves the dirt easily and removes industrial dirt effortlessly. No need to rinse with water.

Effective cleaning

Dreumex Power Wipes have three different liquid-wipes combinations. There is a suitable solution for every industrial soiling. Even the most stubborn dirt such as grease, tar, ink and paint can be removed easily. In addition, all the wipes are very strong, have a fresh scent and contain skin-care elements.

Wipes that work hard to keep you clean

A solution for every soiling

Whatever type of soiling you come into contact with, Dreumex Power Wipes will solve it for you. For example, do you work as a mechanic for maintenance and repair work in a factory and do you come into contact with lubricants, oil or grease? Then the large Dreumex 100 wipe is a good choice for cleaning your hands and tools.

As an installer, are you often on the road between changing locations, where running water is not always available? In that case, the Dreumex Ultra Power Wipes in the handy dispenser are the logical option for removing oil, soot and grease.

Or are you a glazier, painter or roofer confronted with extremely difficult materials to remove, such as paint, varnish, glue or sealant? Dreumex Expert Wipes are one of the most powerful cleaning wipes on the market and will effortlessly remove even these heavy soiling.

Cleaning Power	★★★	★★★	★★★★★

“Dreumex Power Wipes have saved me from scrubbing my hands red. They absorb dirt and even smell pretty good - way better than engine grease.”

Automotive industry

“Dreumex 100 cleaning wipes help me ‘clean as I go’ so my hands never get too greasy, so I don’t have to spend five minutes washing and drying.”

Manufacturing industry

“We often use thinners to remove paint as they just wouldn’t budge with soap and water no matter how hard you scrubbed. Dreumex Expert Wipes rapidly remove stains and even smell pleasant. “

Painters and decorators

“We started to use Dreumex Power Wipes a few months ago and we’ve all noticed the amount of time we save between jobs. We’ll take a tub with us and keep one in the van for use when traveling to the next job.”

Construction industry

Dreumex Power Wipes for every need

Dreumex Power Wipes offer a solution for every specific need. Thanks to the large wipes, Dreumex 100 easily cleans large and vulnerable surfaces. The reactivatable formula, compact packaging and strong scrub wipes make the Dreumex Ultra Power Wipes ideal for cleaning heavy soiling on the go. Are you looking for one of the most powerful wipes on the market? Then go for Dreumex Expert Wipes and make it easy to remove the most heavy and specific types of soiling such as paint, glue, lacquer and sealant.
