

CHU-SOL

CHEWING GUM AND LABEL REMOVER

Chewing Gum Remover:

Chu-Sol has been specially formulated to quickly and effectively remove gum from fabric and vinyl upholstery, carpets, floors and walls.

Problem Solver:

Chu-Sol is the handy solution for coach, bus and taxi operators. In fact, all PSV's.

Labels As Well !

For easy removal of labels without damaging substrate eg. part no. labels on replacement body panels.

Adhesive Residues:

Removes adhesives left after removal of vehicle vinyl striping and sign writing (see directions note). Also residues from bumper protective film on new cars.

Easy to Use:

Chu-Sol is supplied with snorkel for accurate spray onto exact area required.

CAUTION: Pressured Container.

Protect from sunlight. Do not expose to temperatures exceeding 50°C. Do not puncture or incinerate even when empty. Do not spray onto naked flame or any incandescent material.

CAUTION: Chu-Sol may adversely affect certain sensitive surfaces including some plastics. If in doubt, test first on a small hidden area.

Directions For Use: Shake can well.

Chewing Gum Removal: Spray onto gum and allow time for penetration. Spray some Chu-Sol onto a cloth and rub the softened gum applying pressure.

Labels: Spray onto label, allow to penetrate, lift off.

Decal Adhesive Residue: Once surface decal has been removed with hot air gun, spray Chu-Sol onto adhesive residue. Scrape off using plastic scraper.

Typical Specification :

Composition : A thickened blend of xylene white spirit & propellant in aerosol form.
 Appearance : Off White
 F.P. : -40°C
 Odour : Hydrocarbon.
 Can Pressure : 2.75 bar
 Solubility : Insoluble in water
 Shelf Life : 2 years at ambient temperature.
 Packaging : 450ml aerosol can.
 VOC Content : 333g per can
