

TECHNICAL DATA SHEET

10W-40 SS PREMIUM

Semi synthetic passenger car engine oil

Product code: U211

Product Description:

10W-40 SS Premium is a semi-synthetic, high performance multigrade engine oil suitable for use in a wide range of passenger cars and vans.

10W-40 SS Premium is manufactured from a balanced blend of top quality mineral and synthetic base stocks combined with high performance additives to produce an engine oil which provides outstanding levels of protection. Its naturally higher lubricity offers lower internal friction which reduces engine wear and its robust additive chemistry offers superior levels of durability.

Benefits:

- Fuel efficient multi-grade engine oil
- Blended with high quality synthetic and mineral base materials
- Suitable for a wide range of vehicles
- Provides ultimate engine protection for all driving conditions

Applications:

10W-40 SS Premium is suitable for normally aspirated and turbocharged highly stressed diesel and petrol engines in passenger cars and light commercials. It is miscible with all synthetic and mineral based engine oils.

Product Specification:

API	SL/CF
ACEA	A3/B3, A3/B4
VW	502.00/505.00
MB	229.1

Typical Test Data:

Specific Gravity @ 15.6°C	0.888
Kinematic Viscosity @ 100°C (cSt)	13.66
Kinematic Viscosity @ 40°C (cSt)	87.53
Viscosity Index	160
Flash Point COC (°C)	224
Pour Point (°C)	-33
TBN (mg KOH / g)	10.2

Health & Safety:
